

CSI SPRING ART EXPERIENCE

May 6, 2017

“A man should hear a little music, read a little poetry, and see a fine picture every day of his life, in order that worldly cares may not obliterate the sense of the beautiful”

CSI Community Education and the CSI Fine Arts Department invite you to immerse yourselves in the arts and grab a bite to eat. Don't miss the CSI Arts Experience, featuring visual and performing artists from around the valley and hands-on lessons throughout the day.

All activities will take place on the lawn behind the Fine Arts Center. We will provide you with an 8' table and chairs. If you would like to bring something for your booth or display, please do so.

The Fair is scheduled from 12 – 5 p.m. on Saturday, May 6. Please arrive at least one hour prior to the start, and we will map out booth locations and assist you in getting set up. In the case of inclement weather, we have the CSI Fine Arts Center reserved.
